# BURRISHOOLE LOOPS

## OGHILLEES LOOP

**Burrishoole Loops, Burrishoole Loops Derradda**

11 km - challenging

This is another reference to Yew Trees. One must assume that in times past there were many yew trees in this area. Oghillees townland is 340 hectares in size and reaches to the top of Bengorm Mountain at 600 metres. The Mayo coat of arms includes nine yew trees, one for each barony.
